TIMELINE

Recent account changes

Most recent changes logged in the dashboard.

Aug 18

⦿ OPERATIONS

Booking calendar back to normal

As of Aug 18, the appointment/booking schedule (agenda) is back to normal availability, ending the Aug 13-15 low-lead-volume period caused by no open booking slots.

Aug 17

⦿ BUDGET

Meta budget cut in half

Meta Ads budget was cut by 50% starting Aug 17, planned to stay reduced until Wednesday (Aug 19/20). Expect lower spend and registrations in this window - a deliberate budget change, not underperformance.

Aug 16

⦿ TRACKING

Meta tracking gap - pixel/CAPI outage

Meta stopped receiving lead information for ~3 days (Aug 15-16). Expect a large CRM vs Meta registration gap in this window - not a real drop in leads, a tracking gap.

Aug 15

⦿ OPERATIONS

Low lead volume - no booking slots available

Lead volume was low Aug 13-15 because there was no available appointment/booking schedule (agenda) for new leads to book into.

Aug 15

⦿ TRACKING

Meta tracking gap - pixel/CAPI outage

Meta stopped receiving lead information for ~3 days (Aug 15-16). Expect a large CRM vs Meta registration gap in this window - not a real drop in leads, a tracking gap.
